Yes, the school bell will be ringing soon for the Bryan family. In just a few short days the halls at Bryan will be full of excitement as an eager class of freshmen start their college work at Bryan. And then after that day of freshman placement tests and the social hour in the evening, the upper classmen will start coming. For all of those gathered on Bryan Hill it will be the beginning of another year of blessed fellowship in the Lord. Prospects are for both girls' dormitories being filled and the apartments for married couples filled—the men will still be in the minority in the student body.

For those who have walked the halls at Bryan in other years, this will serve to remind you of the times of joy in chapel services, hikes, the class room, working at various jobs, the prayer room, banquets, and many other activities which might be mentioned. Do pray with us that the Lord will give us a good year and profitable spiritually for all those who are part of the family this year. The ones who have been enrolled at Bryan and also those of the staff who are serving the Lord in other fields are continually in our thoughts and prayers. Won't you pray for us too?

Freshman placement tests—Sept. 18.
Registration — Sept. 19 and 20.
Classes begin — Sept. 21.

a visit with her parents in Elyria, Ohio.

All of the Bryan household join Mrs. Cole
in sorrow over the death of our beloved
Science professor, Dr. Glen Gates Cole,
who went to be with the Lord in August.
Dr. Cole became ill while attending a
Bible conference where he was one of the
speakers and died about a week later in a
hospital in Millersburg, Ohio. Dr.
Cole had endeared himself in an unusual
way to the students and staff at Bryan
since his joining the University faculty
in September, 1943. An evidence of
the devotion was the dedication of the
'45 COMMONER to Dr. Cole. Though our
hearts are grieved, we rejoice in the
abundant life which he lived and that
he is now in the presence of the Lord
Whom He loved and served so faithfully.

President and Mrs. J. A. Rudd and
Mary Frances returned in August after
a month's visit with their parents in

Ella Lee is tops as a counsellor and Miss Hess is 'super' as our dietitian." Since writing the above, Nevada has come back to Sale Creek, Tennessee where she teaches school. Several of the summer family enjoyed fellowship with her at the Presbyterian Church in Sale Creek during the revival services conducted by Rev. Daniel Iverson of Miami, Fla.

Gilbert Reid, ex '39, Cincinnati, O.

I am quite happy in my work here and thank Him over and over for giving me this place to proclaim the wonderful news of salvation. Not many weeks ago our little billy-goat was poisoned. (My co-worker is allergic to cow's milk--hence we have a milk goat.) Greetings to all I know there."

Martha and her husband are in the Lord's work at Mooresburg, Tenn.

Lt. Jesse Humberd, '43, after quite a while overseas, is in the States again. Though he had hoped to get to Dayton for a visit on Bryan Hill, it wasn't possible. We know he had a good time with Laura-Belle and especially as he got acquainted with his little Lenora-Ann whom he had not seen.
Anita Graham, '44, Jacksonville, Fla.

"Plan to enter Stetson this fall for some post-graduate work... begins Sept. 20th... been working for the Fla. Baptist Board in vacation Bible schools. Bryan is never forgotten in my prayers."

"Thanks very much for BRYANETTE. I hope nothing stops them... hope soon all of Bryan's overseas soldiers can be back."

Sam Hemborg, '44, Philadelphia, Penna.

"Still appreciate so deeply the blessing of Commencement week... also join you in rejoicing over the progress of the building fund. Am spending most of my time this summer getting domestically and economically settled for another eight months of 'scanning the manuscripts'!"

Since the above, Sam was married to Anna Kottonring in a beautiful ceremony performed in the New London Baptist Church, where Anna's father is pastor. Over twenty Bryanites, including present and former students and staff members journeyed to New London to be present for the occasion. What a blessed reunion and fellowship for all who were able to go.

"We have been on the go constantly. Now I have plenty of time to write as John is back out to sea... doesn't expect to be back again unless another suicide plane hits the ship which no one wants or is looking for. I'm staying here awhile--don't know for how long or what I'll do afterwards. Probably end up at home and in Child Evangelism. I love the work but I'm not sure what he wants."

Robert St. John, '44 and Alice, ex '47.

"Enjoyed our visit in June... entertained Lillian and Earl Pock for several days. Grace Lovengood was our guest on the fourth... couldn't have missed the quartet much as we were in Mansfield and Ashland, July 15-27. School starts on Sept. 4th... my first hour is Hebrew, what an awakening."

Joyce Drubakor, ex '45, Lancaster, Pa.

June Lykens, ex '45, Altoona, Pa.

"You'll never know how much the issues of the BRYANETTE have meant to me. When Jean Neff, '44, was home a few weeks ago, we naturally talked Bryan. Though I wasn't able to return to Bryan, I often thank the Lord for the two years that I did spend there. Glad to know that Alice and George were married—expect to be in New London for Sam and Anna's wedding."
